Singapore 308900

DEAR FELLOW MEMBERS OF SNAMES AND FRIENDS

As I step down from my term as the President of SNAMES, it has been a great honour and pleasure to serve alongside the team of resolute and talented council members and volunteers that have collectively done the best for our SNAMES members and our profession. A big thank you to all of you for this incredible journey in service.

As SNAMES rose from the turmoil of the COVID-19 pandemic, I am grateful to say that the council had accomplished much across the term 2021-2022. In the area of Education and Continuous Learning, our Technical Committee had launched our second course (Offshore Wind Course) in collaboration with ASMI and NTU. On the digital front, our Memberships Committee have launched our digital membership portal. SNAMES membership cards are now digital and SNAMES members can access the replay of technical talks where they were not able to attend through this portal.

Our Media Committee launched our first Members Feature, featuring Mr Kenneth Kee – The Humble Engineer. The Publications Committee published our SNAMES 40th Annual Journal where limited edition hard copies were printed out in commemoration of our 40th Journal Anniversary. Our Social Committee organized our first physical event (SNAMES Forum 2022) after a 2-year COVID-19 hiatus. The event held at Orchid Country Club, was hosted for SNAMES members, and gave SNAMES Corporate Partners a platform to introduce their company profile, products, and services.

Reflecting on the past 12 months, I am proud to announce that our membership numbers has risen, and we have also doubled the numbers for our Corporate Partners. I want to take this opportunity to thank all our SNAMES members and Corporate Partners for your faith in SNAMES during these challenging times.

Going forward, I am certain that the new council for 2022-2023 will continue to work towards bringing better events and value to all our SNAMES members in the year of 2022. I wish everyone the best of health and a fantastic 2022 ahead.

SINCERELY,

Lee Ee Win

SNAMES Immediate Past President
